Re: Proposed All Saints by the Sea Episcopal Church Conditional Use Permit Amendment

Dear Commissioners:

The Montecito Association has received a presentation on the proposed All Saints Conditional Use Permit Amendment. We are in support of the project as presented as it provides protection of the historic character of the building. It is appropriate in scale and compatible with the neighborhood.

We also recognize the extensive community outreach conducted by the church and the absence of concern from surrounding neighbors.

Thank you for the opportunity to comment,

Charlene Nagel
President
