Dear People of All Saints:

I know that each of you have been significantly touched by the tragedy that struck Montecito this week. There is so much to tell you about what transpired at All Saints. As we became ground zero for those rescued and evacuated – to be treated and transported to the hospital or a shelter – it became clear to me that it was the relationships that All Saints has with our neighborhood and our community that meant literally lives were saved and people helped during this time of crisis. Hundreds of people were evacuated from our campus – emergency personnel knew we would be there for them and we worked arm-in-arm to treat and shelter so many who were in need of so much.

We will find ways to share with one other our respective stories. I can't wait to hear of your stories and to share with you my family's story. We are working on how to create these opportunities for sharing and storytelling. It's how we all will begin to heal and process what we've been through.

Please know that I miss you and that we did safely evacuate to the Mesa. Today I am at Trinity Santa Barbara. They have warmly embraced us and look forward to extending that to each of you who can make your way to Trinity on Sunday. For those of you at points south, the Revs. Vicki and Jerry will conduct home church and you are also welcome at St. Paul's in Ventura.

May God bless you and hold you close,
Rev. Aimee

Worship Cancelled at All Saints this Sunday; Please Choose One of the Following Locations

The All Saints campus and Parish School continue to be inaccessible and in need of some clean-up after they were used for medical triage and as an evacuation center. We hope you will choose one of the following for services on Sunday.

We know that many of you have had to shelter-in-place and will be unable to reach services on Sunday. Know that we will be praying for you and that you will be in our hearts. As you are able, please reply to this email with your location and status.

Church Office Phone System Not Working; Please Use Email for Time Being

Due to the power outages and phone system damage, the Church Office phone system does not work. We are working on ways to re-establish phone service. For the time being, please rely on email: info@asbts.org.

Please Provide the Following Information to the Church Office; Reply To This Email

Thank you to all who replied to our email survey. We have received information about needs and are actively matching them up with offers of assistance. Already, many of those in need of short-term housing have been assisted.

We continue to want to ascertain your status/needs. Church volunteers and staff/clergy are also calling parishioners individually. **Please reply to this email with**

your responses to the following questions if you have not done so already. Your replies will go directly to Kathleen Bright, our Director of Administration. Once we understand needs and offers of assistance, we will communicate further.

1. In a few words, please say how you are doing?
2. What is/are your cell phone number(s)?
3. What is your status and where are you located?
4. Are you in a temporary situation, eg., shelter or short-term stay with friends, or are you able to stay in your current situation for the foreseeable period?
5. What specific needs do you have at this time?
6. If you are unaffected by the fires or flooding, can you offer members of the parish a place to stay (state if short term or longer term) or provide other types of assistance?

Below is a list of parishioners we know to be **safe and out of harm's way**. Please reply to this email with names of those you are worried about or who you personally know to be fine (or perhaps have seen on social media). By "fine" we mean are sheltering in place at home or have evacuated (or were not in the impact area). Church volunteers and staff/clergy are also calling parishioners individually.

A notice has been placed at the Red Cross Shelter at Santa Barbara City College for any parishioner who needs assistance to contact the Church. We thank Bob and Judy Cresap for coordinating this effort.

If you need short- or long-term housing or have need for meals or other assistance, please contact Kathleen Bright, the All Saints Director of Administration, at info@asbts.org. (Note the Church Office phone system has not worked since the storm, so please rely on email or contact Rev. Vicki by cell.)
